Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.

Las referencias originales son para identificación de productos comercializados por nosotros y utilizadas solamente para orientación.

Original part numbers are used so as to identify the products we sell, in the sole purpose of customers recognition of the items sold.

Les références originales servent à l'identification des produits que nous commercialisons, et sont uniquement utilisées dans un but d'orientation de la clientèle.

I Riferimenti originali indicati nel presente Catalogo sono riportati come orientamento alla clientela nella identificazione dei prodotti di nostra commercializzazione.
