A photograph of an outdoor terrace or balcony. The floor is paved with dark grey rectangular tiles, with several lighter-colored rectangular tiles arranged in a pattern. A low brick wall runs along the back and sides of the terrace. Several concrete pillars support a roof structure. In the background, there is a brick building with a satellite dish on its roof, and a hill with greenery under a blue sky with some clouds. A large blue geometric graphic is on the right side of the image.
